A Helping Hand for Mom

Preferred
Care at Home® 

Congratulations Mom!

Becoming a new parent is an amazing and rewarding experience that will promise many days of laughter and joy.

Inevitably, your new role will also promise many late nights, headaches, and little 'me time'.

As a company full of mothers and caregivers, Preferred Care at Home is here to alleviate the stress of a long to-do list and let you cherish the time you have with your family.

After all, this special time is about the both of you.

As a new mother, you are in charge of many things. The added concerns of additional children to care for or having gone through a difficult birth may be overwhelming.

Mom's First Priority:

Having help in the early days of postpartum can provide valuable bonding time with your new bundle of joy with peace of mind knowing that the rest of your home obligations are being cared for.

Preferred Care at Home understands the challenges of motherhood and is committed to providing outstanding personalized care, giving the new mother the rest and assistance she needs.

To the Rescue:

To ensure 100% peace of mind, all caregivers undergo a 7-Step Screening Process and are mommies themselves, giving them the firsthand experience to assist you with the demands of becoming a new mother.

Services:

- Light Housekeeping
- Meal Preparation
- Transportation
- Errands
- Laundry
- And Much More

Preferred Care at Home is committed to providing high quality care at affordable prices.

We offer packages from 1 to 24 hours a day, seven days a week.

We are available before, during and after childbirth to make your transition exactly what you hope for. Whether you need your overnight bag packed with efficiency, your baby room ready for a welcoming return home, or an extra set of eyes while you get some well deserved rest, we can make your baby experience a peaceful one.

Call us today for a free consultation on how we may help make these moments precious.
